“Rasa Sayang” at The Jamiyah Old Folks Home

Kakak, one of the residents at the Jamiyah Old Folks home, recalled what the song “Rasa Sayang” (Taste of Love) meant to her especially in her younger days when she used to sing in school. She did not hesitate at all to sing along with all the Rotarians and Rotaractors present at RCRC Annual Hari Raya Visit on 2 August 2014 to celebrate Hari Raya Aidil Fitri. A total of 27 Rotarians and Rotaractors including family members were

present at the event which started at 2.30 pm and ended smoothly by 4 pm. PP Tengku Indra who was the Master of Ceremony thanked all the residents and staff of the home on behalf of President Corina Lai who was there to grace the occasion.

Rotaractors from Raffles City worked very hard in preparation for the event which was filled with sing-along for songs such as:

- Chan Mali Chan
- Burong Kakak Tua
- Singapura
- Di Tanjung Katong

Led by our very own Musical Director PP Ron Pereira, both Rotarians, Rotaractors and some family members entertained the residents for almost 45 minutes of singing.

“Rasa Sayang Hey ! Rasa Sayang - Sayang Hey ! Hey Lihat Nona Jauh
Rasa Sayang Sayang Hey !” so it goes on and on.....

Song sheets were distributed to all Rotarians and Rotaractors on stage and with the melodious voice of PP Ron Pereira, every one followed the tunes with ease and joy!

After the sing-along session, “Zakats” were then distributed to all the 180 residents by President Corina Lai with close assistance by PP Aaron Tan.

At the same time the Rotaractors and other Rotarians helped in the distribution of oranges to all the residents.
